Operations · Chief of Staff · Building from Zero

PROFESSIONAL SUMMARY

Operator who builds things from zero. Founded a business from an empty space to a profitable, sold company; as Chief of Staff, partnered with a CEO on strategy and execution across a 100+ person nationwide operation; today launching a new business line end to end at ROOMS. Comfortable owning everything nobody else owns yet – processes, systems, vendors, contracts and the operating rhythm. Hands-on with AI and automation, building internal tools with Claude Code.

PROFESSIONAL EXPERIENCE

Business Development Lead

ROOMS – Flexible Workspaces | Apr 2026 – Present

- Lead the launch of a new business line (amenity floors in office towers) end to end: product definition, business and operating model, and launch planning.
- Select operators and lead negotiations, commercial terms and contracts with them.
- Build the new brand and all the infrastructure required for its launch.
- Lead point of contact for, and direct, the project management firm and designers on a ₪10M+ project; report regularly to senior management and investors.
- In parallel: manage the Events & Hospitality department across all the network's sites, including managing the department team; specified and built the department's BI and CRM systems.

Chief of Staff

Israel Next Generation (NGO) | 2024 – 2026

- Strategic partner to the CEO and senior leadership on strategy, prioritization and execution.
- Led cross-organizational initiatives across operations, finance, partnerships and programs, coordinating 100+ staff in a nationwide operation.
- Managed budgets, contracts, donor reporting and Israel–U.S. financial flows across multiple entities.
- Central coordination point between the CEO, board, management, donors and external partners.

Founder & CEO

Edna Jaffa – Events, Workshops & Culture Venue | 2019 – 2025

- Took it from 0 to 1: initial fundraising, design, licensing, infrastructure and procurement for a 600 m² venue in Tel Aviv.
- Grew it into a profitable business with ~₪2M annual turnover and a team of 10+; sold in 2025.
- Owned everything: P&L, business development, B2B partnerships, pricing, contracts, marketing, sales and CRM.
- Led the business through COVID, keeping it operating and financially viable.

Earlier Experience

- **Fundraising Manager**, Machane Meshutaf NGO | 2016 – 2018
- **Artist Manager & Festival Producer** (Freelance) | 2013 – 2018
